FOREWORD

Edition V of the Operations Manual has been updated to reflect all changes, additions, or deletions. The Operations Manual will offer guidance to the leadership of the Navy League's National Officers and Directors, Region, Area Presidents and, particularly, Council Presidents. By studying and implementing the ideas and programs contained in this Manual, Navy League leaders should be better able to work toward achievement of the Navy League's goals.

The Operations Manual contains three major parts:

National Bylaws	Part One, pages numbered 1-15
National Policies and Organization	Part Two, pages numbered 19-58
Council Handbook	Part Three, pages numbered 60-108
Attachments (included in Part Three).....	Pages 109-161
An index is located at the end of the Manual on page 162	

In accordance with National Bylaws this Manual shall be reviewed and ratified annually by the Board of Directors.

Initial distribution of this Manual is being made to National Officers, Directors, Region, Area, and Council Presidents. In order to reduce the requirement to provide an Operations Manual each time different individuals are elected, holders of the offices indicated are requested to pass their copies of the Manual to their successors.

All holders of the Manual will be provided with changes as they occur.

Additional copies of the Manual may be obtained from National Headquarters.

The Manual is maintained on the Navy League web site at www.navyleague.org

Comments and/or suggestions for improvement shall be submitted to the National Corporate Secretary at National Headquarters.
