Navy League Learns 2023 Webinar Series SPONSORSHIP GUIDE

The Navy League of the United States is hosting a series of webinars to further our mission of educating the American public about the needs of the sea services — the U.S. Navy, Marine Corps, Coast Guard and U.S.-flag Merchant Marine.

Our goal is to provide our attendees with valuable thought-leadership that pertains to the most pressing issues in the maritime domain. Sponsorship of one of our webinars aligns your company's brand directly with some of the most important military leaders and industry experts that are advancing state of the art for the sea services.

Have an idea for a webinar or sponsorship that isn't a part of our content calendar? Or are you seeking a unique way to play up your brand? Contact us, and we'll be happy to work on a customized package.
