

NEW YORK COUNCIL NAVY LEAGUE *of the US*

Citizens in Support of the Sea Services

Who are we?

We are a citizen-led military support organization that supports the sea services — U.S. Navy, U.S. Marine Corps, U.S. Coast Guard and U.S.-flag Merchant Marine. The New York Council was the first council established and is now one of the largest and most active of the Navy League councils. Many New Yorkers and Sailors know us as one of the founders of Fleet Week New York.

Our Vision

New York Council Navy League strives to be a citizen-driven, forward-thinking nonprofit leader that supports and advocates for the sea services on a local, national and global level.

How do we do it?

We host programs that educate the public and our elected leaders on the importance of the sea services, foster youth leadership development and, most importantly, support active-duty members, their families and their units. We are financially independent from our parent organization, so money given locally is used locally.

Why do we do it?

Strong sea services are the driving force of a maritime nation.

MAKING AN IMPACT IN NEW YORK CITY AND BEYOND
