The team at the Navy League doesn't just regurgitate their mission, they absolutely embody it! When I wrote asking for help, they didn't hesitate to assist tiny NOSC Billings. That shows strength of character and depth of purpose that is so uncommon today.

The Navy League of the United States, founded in 1902 with the support of President Theodore Roosevelt, is a nonprofit civilian, educational and advocacy organization that supports America's sea services: the U.S. Navy, U.S. Marine Corps, U.S. Coast Guard and U.S.-flag Merchant Marine. Through national and local programs, the Navy League of the United States provides a powerful voice to educate the public and Congress on the importance of our sea services to our nation's defense, well-being and economic prosperity. Additionally, the Navy League provides support to our sea services personnel; their families; and youth programs, such as the Naval Sea Cadet Corps, Junior ROTC and Young Marines.

JOIN THE TEAM

- ▶ Support the men and women currently serving and their families
- ▶ Fight for strong sea services
- ▶ Educate government officials and elected leaders to the critical importance of sea power
- ▶ Build America's future through successful youth programs
- ▶ Highlight the latest innovations of our sea services
- ▶ Recognize excellence among our active-duty men and women and their spouses

After retiring from the Navy with some gas left in my tank, it was clear to me the Navy League was the best way to spend my time supporting the next generation of Sailors, Marines, Coastguardsmen, Merchant Mariners and their families.

SEAPOWERMAGAZINE | WWW.SEAPOWERMAGAZINE.ORG

Seapower magazine

The Navy League's in-house magazine, founded 61 years ago, is published monthly with interviews from service, industry and government leaders. Additionally, *Seapower* features monthly content on innovations and news in the defense industry and an in-depth report on Navy League council outreach around the world.

Seapower Almanac

The January almanac issue of *Seapower* is a reference work that details the ships, aircraft, weapons, sensors, unmanned vehicles, and command and control systems of the U.S. Navy, Marine Corps, and Coast Guard and ships of the Maritime Administration's Ready Reserve Force. The almanac also includes a directory of major commands, photos of current flag and generals officers of the sea services, and a description of the roles and programs of the Navy League.
