SAVE THE DATE

October Membership Drive

Show your support for our sea services this October by joining our month-long initiative dedicated to boosting participation within Navy League councils and promote the Navy League's mission: educating the public and Congress on the importance of the sea services to our nation's defense, well-being, and economic prosperity.

Attend local events and activities hosted by any of our 200+ Navy League councils.

Find your local council events and more information here.
